

Seminary Sponsorship Program for Future Priests

We need Priests all over the world. Moshi is blessed with many vocations. Currently we have 120 Diocesan seminarians. Sponsor a seminarian so that no one is turned down because of financial inability to support him through the formation process.

Support Our Retired Priests

Our retired priests need adequate care after many years of service in the Lord's vineyard. They have a home at Sacred Heart Priests' Home—Longuo. We need your help to provide the food and medical care that they so deserve.

Catholic Diocese of Moshi Support our Special Ministries

Reaching Out to Build and Restore Hope

Tanzania is one of the poorest countries in the world with the majority of its population living under \$1 per day. The Catholic Diocese of Moshi is trying her best to spread the light of hope to these people through special ministries to the most vulnerable and to those who will make difference in the community. We need your help.

OUR TARGETED MINISTRIES

Orphan Children

Because of the HIV-AIDS pandemic, we have overwhelming number of orphans. There are over 11,000 orphans in the Diocese. Most of these are raised by grandparents or relatives. A few are in the orphanages. Moshi Diocese cannot adequately take care of them without your help. They need food, clothing, medication and education. Please help us to give hope to these unfortunate children.

ST. PAMACHIUS INCLUSIVE HIGH SCHOOL

Children with disabilities have been ignored in the community for too long. Currently, there is no single high school they can attend. Moshi Diocese is building a special inclusive high school designed specifically to accommodate children with disabilities of all kinds. We need your help to give hope to this most vulnerable kids, to tell them that God still loves them and they have chance in the world!

Albino Children in Moshi

Children with disabilities (albino, mobility, blind, deaf, etc) are ignored in education . Help us to support a new inclusive St. Pamachus high school for them, as well as a home for them. This will be the first school of the kind in the country. They deserve dignified lives like other children!

There are two orphanages in the Diocese. One for the little ones ages 0 –5 and the second for the kids ages 6 and older. These children have no one else to take care of them.

Girls and Women Support and Empowerment

Girls need high school, college, and vocational school education to prepare them for employment and leadership within their communities.

Women work hard, and they need to be empowered.
